

EXHIBITOR REGISTRATION

Exhibitor Information

The Student Success in First-Year Composition Conference is designed to promote the success of students in their post-secondary English composition courses. The conference seeks to establish and maintain an ongoing dialogue between college and high school composition teachers, as well as principals, librarians and counselors. To that end, we are committed to offering practical, teaching strategy-oriented workshops, as well as theoretical presentations of composition topics that focus on the link between high school and college.

Sponsored by Georgia Southern's Department of Writing and Linguistics, this conference draws more than 150 teachers of composition from Georgia, Florida, Tennessee, North Carolina and South Carolina. The audience is composed of writing teachers and key high school administrators from four- and two-year colleges, technical schools, and high schools, as well as graduate students.

Exhibitor tables will be set up in the Atrium of the new Nessmith-Lane Continuing Education Building. All conference participants will be passing by the exhibit tables during registration, Continental breakfast, the opening general session, session breaks, keynote luncheon, beverage break and the closing session.

Set-up may begin at 7:30 AM on the morning of the conference.

Tear down may begin at 4:30 PM.
