

Georgia Southern Botanical Garden

The Garden is a plant museum.

Enjoy yourself. Dress appropriately for the outdoors, wear closed-toe shoes, and bring insect repellent, sunscreen, and water.

Be safe. Please keep out of farm buildings unless you are instructed to enter by your program leader. Observe animals but do not approach or handle them.

Be respectful. Stay on paths and avoid flower beds. *Do not pick leaves or flowers from plants.* Keep voices low to experience the sounds of the Garden.
